Gladstone Institutes Neurobehavioral Core Written Agreement

Contact Name: _________________________________________________________
Principal Investigator: __________________________________________________
Funding Source/Grant Agency:____________________________________________
Funding/Grant #:_______________________________________________________
Funding/Grant Period:___________________________________________________
Index Number (Gladstone Only): __________________________________________
Purchase Order Number (UCSF Only): _____________________________________
Cost Estimate #:________________________________________________________

I, __________________________________, have read and understood the Terms and
Conditions and agree to the estimated cost of charges. I understand that this cost is an estimate
based on standard services and that additional charges may apply relative to the length of
behavioral testing and/or if I request extra services, such as re-analysis of data or special
treatments of mice. I understand that I will be notified before such additional charges are
incurred. I would like all charges to be made to the account number/purchase order number
indicated above.

If data generated in the Neurobehavioral Core (either by Core Staff or your own staff) are
included in publications, I agree to include the following statement in the acknowledgement
section of the publications:

"Behavioral data were obtained with the help of the Gladstone Institutes’ Neurobehavioral Core
(supported by NIH grant P30NS065780)."

In addition, I agree to include Core Staff as coauthors if their contributions merit such inclusion
based on widely accepted guidelines
